After your meal, head to the greenhouse for 4 mini stations to create your own Galentine's gift boxes to include:

Your own butter candle

Paint your own taper candle

Make your own mini charcuterie box to enjoy at home

Create your own linen/room spray

\$139+tax/set of 2 tickets

Tickets are sold in sets of 2 and include everything you need to enjoy the evening for you and a guest!

Please Note: In the event of bad weather, we will have a snow make-up date of February 7th. Refunds will not be given due to bad weather - instead the make-up date will be offered in the event that one entire evening is cancelled. If the area of Towanda is safe and the events are held, no make-up date will be offered.
